

### Description

The NuVent SS Series fans offer exceptionally quiet performance in a sturdy galvanized steel housing. All S Series models feature an exclusive curved grille design for contemporary style, making it an attractive option for bathroom and general ventilation applications where low noise levels are required.

### Features

#### Grille

- Attractive curved styling with soft rounded profiles.
- Textured, white polymeric.
- Mounts directly to housing with torsion springs.

#### Housing

- Heavy 22-gauge galvanized steel construction.
- Extended discharge collar for easy attachment to 4" diameter duct.
- Mounts with adjustable hanger bars (included).
- Top and side electrical knockouts for easy access.
- Large removable wiring compartment.

#### Blower

- Built-in backdraft damper.
- Removable blower with easy slide-in mounting.
- Resiliently mounted motor for quiet operation.
- Plug in motor rated for 120 volts 60 Hz operation.
- Meets the requirements of the Northwest Energy Code for low energy consumption.

#### Other

- This product is approved for use over tub/shower enclosures when installed in a GFI protected branch circuit.
- Permanently lubricated ball bearing, shaded pole motor.
- Dual inlet, forward curved blower wheel.

### Performance

- Air Delivery: 100cfm @ .25" w.g.s.p.  
120cfm @ .1" w.g. s.p.
- Sound Level - 1.5 sones
- Volts - 120
- Hertz - 60
- Amps - 1.6
- Watts - 93
- Duct - 4" round

The Home Ventilating Institute has tested and certified the airflow performance (CFM) and sound levels (sones) of this product.

### General

This product has been evaluated by Underwriters Laboratories and conforms to both UL and CSA safety standards.

### Specifications

NuVent ventilator model NXSS120. The fan shall be constructed with a galvanized steel housing including adjustable hanger bar mounting and 4" diameter discharge collar. The blower unit shall be removable with a permanently lubricated, ball bearing, plug-in motor. Air delivery and sound levels shall be certified by HVI at the levels listed for this model. All units shall be UL listed.
